2006 HEAVY-DUTY MOTORHOMES SENECA

AMERICA'S MOST LIVEABLE RVs.

# SENECA HD™

2006 Heavy-Duty Motorhomes by Jayco®

35 GS

AMERICA'S MOST **LIVEABLE** RVs.

"Liveable," to our customers, could mean comfort. To our designers, it's a refined, ergonomic floorplan. For those who build them, we see value. The definition is most likely "all of the above" ... and then some.

### TOTAL CONTROL.

From the cab, the sloped hood allows you to see as close as 13 feet from the front bumper. Under you, Alcoa aluminum wheels wrapped in 19½" Michelin® tires. In front of you, 520 ft.-lbs. of torque delivered by the 6.6L Chevy Duramax diesel. Behind you? ... pure handcrafted luxury.

1. The Seneca comes with fully adjustable recliner seats, remote keyless entry, AM/FM/CD stereo, two 12V powerpoints and a 16" steering wheel.
2. The bedroom features a queen pillow-top mattress and plenty of storage, thanks to the large wardrobes and under bed storage.
3. The home theater system includes Dolby® Digital 5.1 Surround Sound and a 27" TV. Pull the handles below the TV to reveal a bunk.

1. The RVQ®, our portable gas grill, makes grilling convenient and cooking a breeze.
2. The Seneca's command center conveniently controls the generator and slide out function from one location. It also tracks tank and battery capacity.
3. The Seneca's exterior utility center simplifies maintenance by consolidating connections and controls. The "no mess" valve system allows you to dump holding tanks in a clean and easy manner; and the drain hose won't interfere because it's positioned out of the way. It also includes an outdoor shower so you can rinse off after a day of fun and keep the inside of your Seneca clean.

### TOTAL LUXURY.

Seneca HD means you'll find generous storage, a superbly appointed kitchen and standard bedroom slide-outs all set in handcrafted Manchester Oak or the optional Concord Cherry upgrade. Plus dozens of little "why didn't I think of that" innovations.

1. Seneca's Class A motorhome-style baggage doors allow you to bring all of your favorite large items, like golf clubs and skis, on the road with you. The pass-through basement doors give you storage for all of your gear without taking up room in the living space.
2. The Seneca comes equipped with a back-up camera and monitor, increasing accuracy and safety for driving in reverse.
3. As you enter the bathroom through a six panel, residential-style door, you'll notice it has everything you need to relax – a skylight, neo-angle shower with bath surround and mirrored vanity.

### THE CLASS C WITH A GARAGE.

All the comfort and drivability of the Seneca HD plus an industrial strength power lift tailgate. Capable of effortlessly lifting 1600 lbs. of dream machine with the touch of a wired remote button. Yeah baby!

35TM

### YES, YOU CAN "TAKE IT WITH YOU."

The Seneca ZX makes loading your toys a cinch. With just the push of a button, lift your motorcycle or ATV from the ground to your mobile garage within seconds.

1. The Seneca's high-quality aluminum wheels look sleek and stylish.
2. Setup is as easy as the push of a button. The hydraulic leveling jacks automatically adjust to the optimal position.
3. You'll always have plenty of power, even if you're not near hookups, with the Seneca's 5,500-watt Onan® Quiet Diesel generator with 50-amp service.

### BUILT FOR THE OPEN ROAD.

From the tried-and-true Duramax power plant, Allison® 5-speed 1000 Series automatic transmission, to the superior visibility from the cab and mirrors, everything has been designed for high-mileage and high comfort.

1. Seneca's design makes maneuvering in tight spots simple. A large windshield and sloped hood allows you to see objects as close as 13 feet from the bumper. And thanks to its efficient wheelbase design with a set back axle and 53-degree wheel cut, the Seneca can easily turn in small spaces. All-wheel disc brakes with ABS make stopping swift and reliable.
2. Seneca's heated, lighted, remote side mirrors boost safety by giving a better view with a large 126-sq. in. surface area and a 6" x 7" convex section. By mounting the mirrors to the body instead of to the door, there's less vibration.

**Unloaded Vehicle Weight (UVW):** Sometimes referred to as "Dry Weight," UVW means the typical weight of this motorhome as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options, or dealer-installed accessories.

**Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the motorhome, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

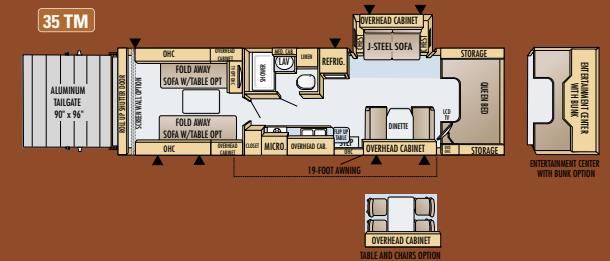

**Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo, and dealer-installed accessories\* that can be carried by the motorhome. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

- Toll-free nationwide service appointment assistance
- Free custom trip routing and full color map service
- Free dispatch of on-site mechanical service
- \$1,000 auto theft or hit-and-run reward

## Built to Last

Jayco has been blessed with some of America's finest craftsmen who make Middlebury, Indiana and the Jayco plant their home and workplace. Generation after generation, a legacy of tried-and-true construction methods is passed down, continuing the tradition of quality and durability that has helped Jayco grow into a true industry leader.

## We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred one time within the warranty period. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our website at [www.jayco.com](http://www.jayco.com).

## Your Jayco Dealer

See above dealer for further information and prices.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco, or visit our web site.

**Please Note:** All information in this brochure is the latest available at the time of publication approval. Jayco reserves the right to make changes and to discontinue models without notice or obligation. Photos in this brochure may show optional equipment. RVs built for sale in Canada may differ to conform to Canadian codes.
