

2004 Eagle™ Travel Trailers and Fifth Wheels by Jayco®

Find that special place where heaven and earth meet

# Miles of open road... the perfect cure for stress.

You drive through breathtaking vistas with crisp mountain air and realize you can't remember the daily deadlines and hassles you left behind. Eagle™ travel trailers and fifth wheels take you on journeys to places where your only appointments are morning tee times or twilight sing-alongs.

Dine in spacious comfort at the slideout dinette, and in perfect view of your surroundings by the large dinette picture window. Freestanding table and chairs are optional.

The optional Samsung® microwave oven with carousel lets you cook your home meals quickly and easily.

Cooking is a breeze with the flush-mounted Norcold® double-door refrigerator, 3-burner range with 9,000-BTU SuperBurner™ and piezo igniter and deep residential-style sink with white arched-neck faucet.

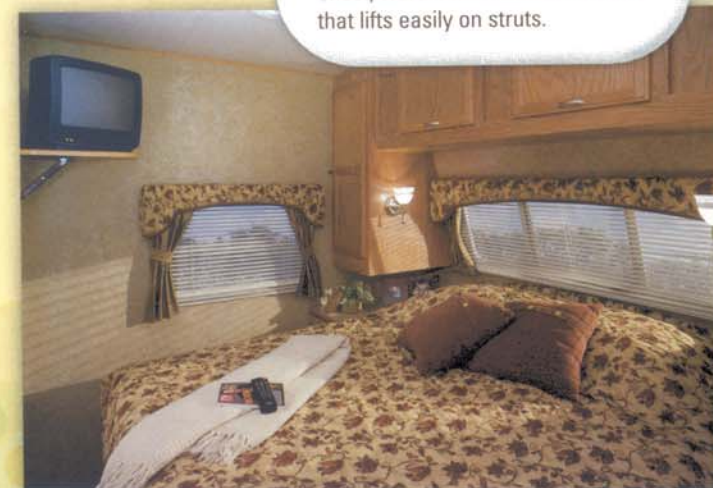

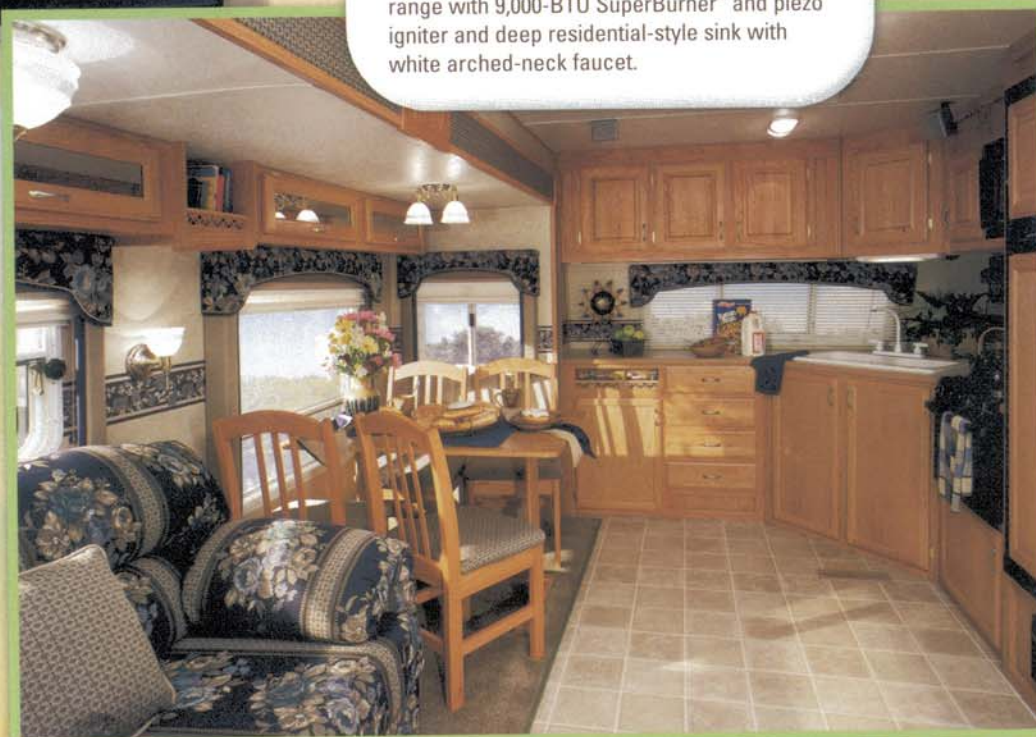

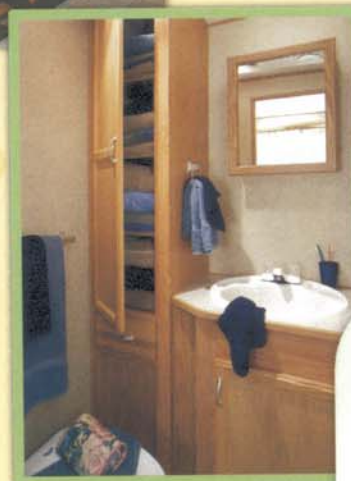

Kick back after a day on your feet on the optional hide-a-bed sofa, which easily folds down into a flat, comfy bed. Sliders on the slideout end wall windows let in more air for better cross ventilation.

Find comfort in the well-equipped bathroom featuring ABS shower/tub surround and optional glass shower door.

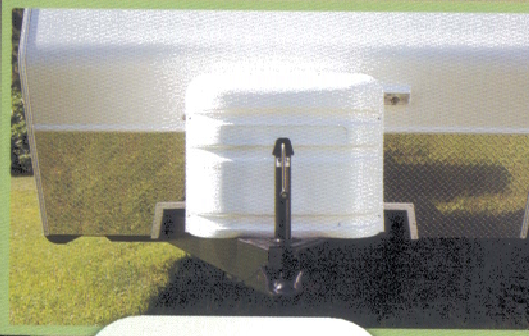

Relax on the queen-size pillow-top innerspring mattress. Store all your clothes in the overhead cabinet, chest, wardrobes or under the bed that lifts easily on struts.

278 FBS interior

Diamond plate provides protection from rocks and road debris and adds sturdy good looks.

Get space for your fishing poles, oars and water skis in the convenient pass-through storage. (most models)

282 FKS

No expressways. No malls. No problems.

281 RLS

Get both electric front jacks and snap jacks as standard equipment.

The optional oversized folding entrance door exterior grab handle makes stepping in and out easier.

Store and protect loads of gear such as coolers and lawn chairs in the spacious front trunk – all fifth wheel models.

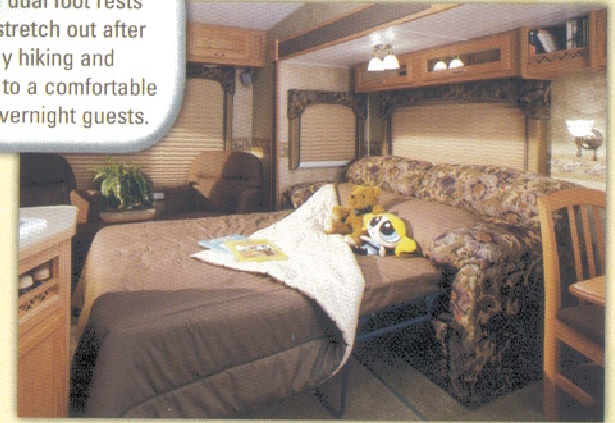

## 2004 Eagle™ Fifth Wheels

The optional hide-a-bed sofa with dual foot rests lets you stretch out after a long day hiking and converts to a comfortable bed for overnight guests.

Beautiful oak cabinetry, coordinated quilted bedspread and padded carpet put you at ease.

The bathroom includes a handy laundry chute with basket (fifth wheels).

# Strong Jayco® construction features give you peace of mind to relax.

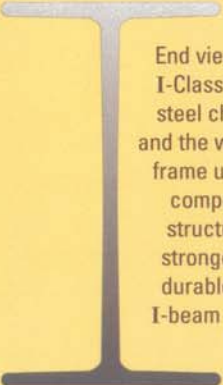

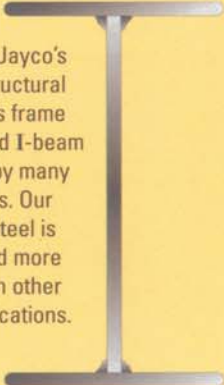

4-1/2" bowed truss roof rafters

Insulated A/C ducting

R-11 insulation

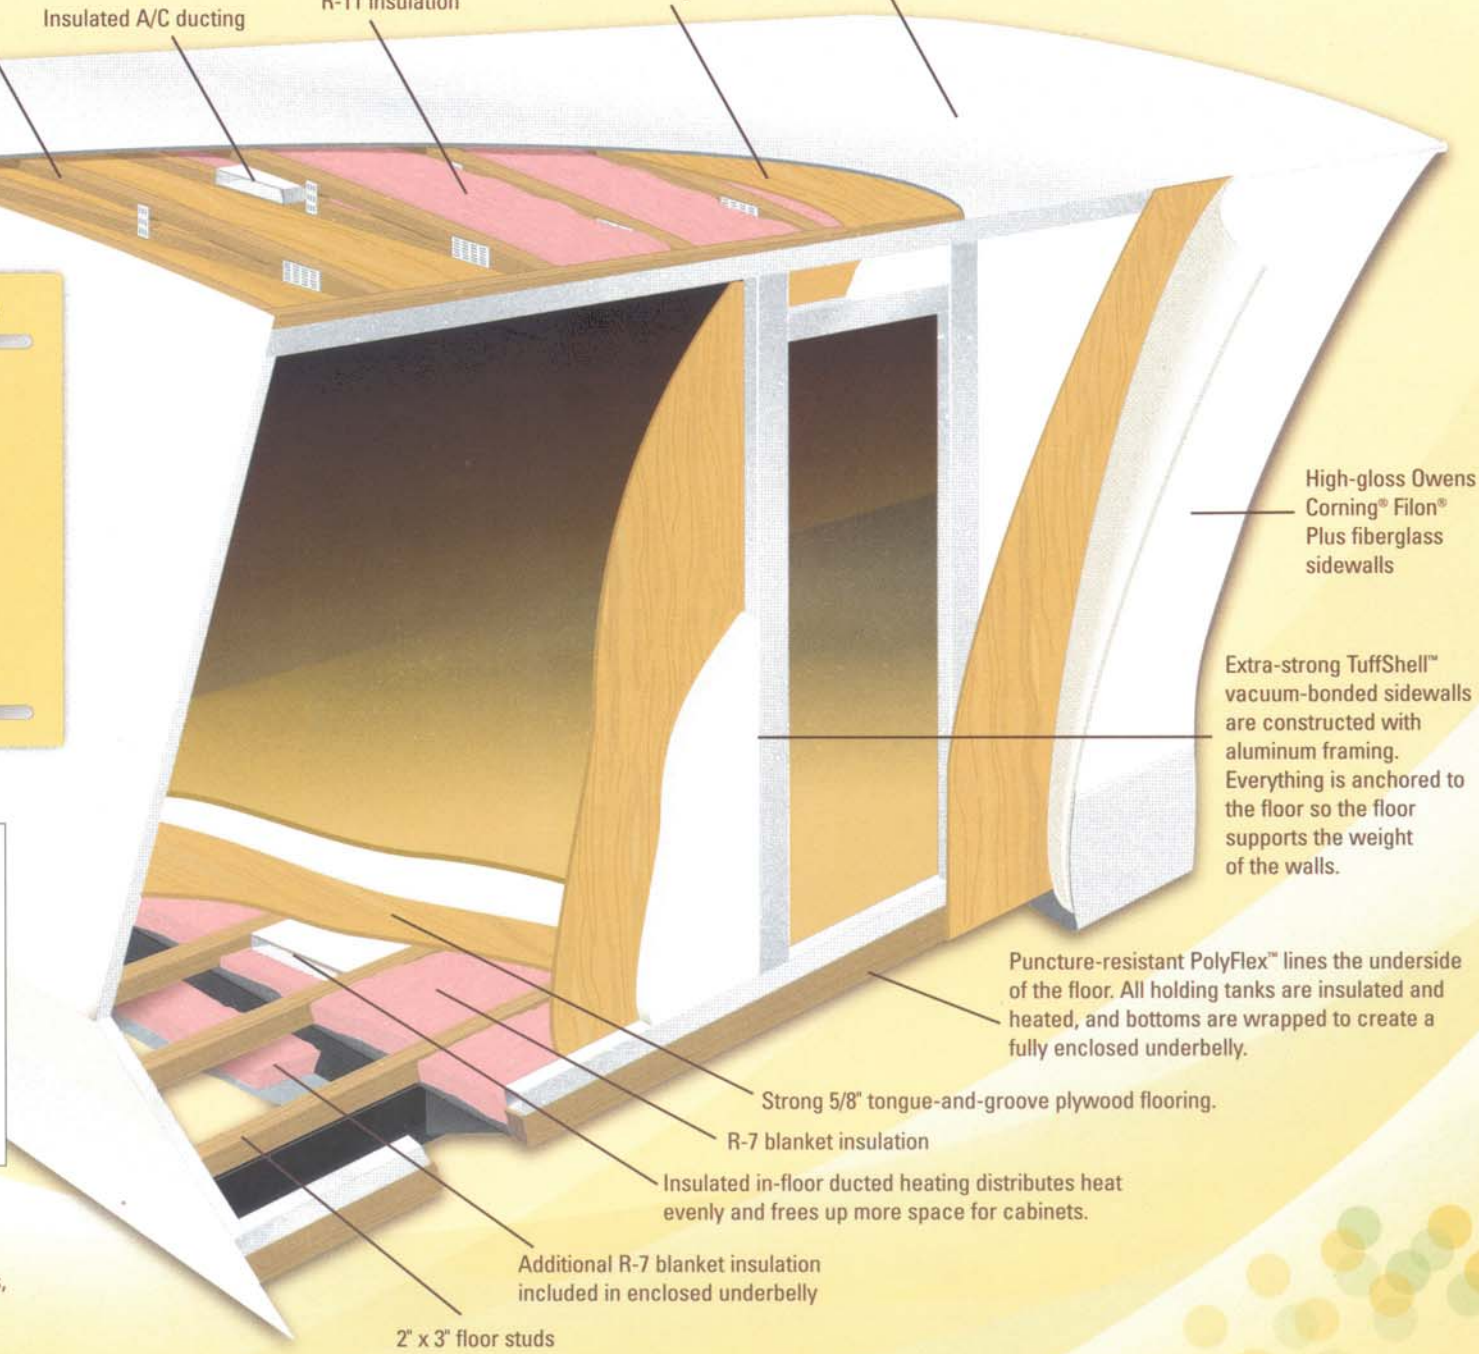

3/8" roof decking

Seamless, one-piece rubber roof shrugs off the hardest rains, reflects heat and reduces noise.

Jayco	Competition
	
End view of Jayco's I-Class™ structural steel chassis frame and the welded I-beam frame used by many competitors. Our structural steel is stronger and more durable than other I-beam applications.	

The height of your tow vehicle will never be a worry. Eagle™ fifth wheels feature standard Jake Plate™ adjustable axle hanger plates. Twice as strong as traditional single spring hangers, they allow you to adjust the axle height to accommodate tow vehicles of different heights.

High-gloss Owens Corning® Filon® Plus fiberglass sidewalls

Extra-strong TuffShell™ vacuum-bonded sidewalls are constructed with aluminum framing. Everything is anchored to the floor so the floor supports the weight of the walls.

Puncture-resistant PolyFlex™ lines the underside of the floor. All holding tanks are insulated and heated, and bottoms are wrapped to create a fully enclosed underbelly.

Strong 5/8" tongue-and-groove plywood flooring.

R-7 blanket insulation

Insulated in-floor ducted heating distributes heat evenly and frees up more space for cabinets.

Additional R-7 blanket insulation included in enclosed underbelly

2" x 3" floor studs

## WE BACK WHAT WE BUILD

The Jayco **2+3 Warranty** is a manufacturer's warranty. It doesn't come from your dealer, and it's not an extended warranty! It comes from the people who build Jayco recreational vehicles to the people who buy them. Each Jayco is warranteed to the original purchaser for twenty-four (24) months from the date of purchase against defects in materials and workmanship. This is

full hitch-to-bumper coverage on towables and bumper-to-bumper on motorized RVs. The Jayco warranty includes a three-year (3) structural guarantee. In addition, our warranty is transferable within the first two (2) years for a \$100 processing fee. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business! For a copy of the warranty with full terms and conditions, ask your local Jayco dealer or visit our Web site.
